THESE WARRANTIES ARE VALID FOR DOMESTIC USE ONLY.

### LIMITED LIFETIME WARRANTY

Your Mvac vacuum system is protected by a lifetime warranty. We guarantee that the unit canister will be exempt of any material or manufacturing defect. This warranty is valid from the date of purchase, for as long as you are the original owner, and the system remains at its original place of installation. This warranty covers the body and dust receptacle of the unit and is not transferable.

The motors and electrical components are covered at 100% for a period of 5 years and at 50% for an additional 5 years for M43, M45, M65, Builder and Tytan models. For the M47, M50, M80 and M90 models, they are entirely guaranteed for a period of 10 years; and for a period of 15 years or 750 hours of use for M80G model. Our authorized service center will repair or replace (at Mvac's discretion) the defective part or parts, free of labor costs, for a period until 5 years (see below).

If you purchased the Mvac warranty extension, the motor and electrical components of your unit are entirely guaranteed for a period of 25 years. Labor costs, however, are only covered by the original warranty, for a period of 3 to 5 years in America.

The warranty extension is subject to the same terms and conditions as the regular Mvac warranty. It is valid for domestic use only and Mvac reserves the right to send a technician to verify the installation location in case of doubt. This warranty extension is not transferable.
